Born To Love, Cursed To Feel

Synopsis

For fans of r.h. Sin comes a new voice, Samantha Kingâ [™]s raw, relatable poetry both celebrates love and mourns the human â œcurse to feel.â • Her verse transports readers to the most private reaches of love and longing. Born to Love, Cursed to Feel is about loveâ "the good, the bad, and the confusing. It touches on morals and how when emotions are involved itâ [™]s not as black and white. The poetry is frequently written in a narrative manner that evocatively pulls you in and makes you feel. This book is about falling in love, bad decisions, and ultimately growth. The essence of it all is to show that no matter how far one falls all the mistakes donâ [™]t have to be what defines them.
