# Developing And Managing Electronic Collections: The Essentials

## Synopsis

The complex issues associated with developing and managing electronic collections deserve special treatment, and library collection authority Peggy Johnson rises to the challenge with a book sure to become a benchmark for excellence. Providing comprehensive coverage of key issues and decision points, she offers advice on best practices for developing and managing these important resources for libraries of all types and sizes. With an emphasis on practical solutions that will provide effective and timely access to online resources for library users, she presents an in-depth look at the fundamentals of electronic resource planning, selection, and evaluation. The evolving world of acquisition options, licenses, and contracts. Fostering and maintaining positive relationships with vendors and publishers. Budgeting and financial considerations, with guidance on how to collaborate across library organizational lines to acquire and manage e-content more efficiently. Tips, informational sidebars, and suggested reading lists accompany each chapter, and an extensive glossary defines essential terms and concepts.

Product Dimensions: 6 x 0.4 x 9 inches

Shipping Weight: 10.4 ounces (View shipping rates and policies)

Average Customer Review: 2.0 out of 5 stars [See all reviews](#) (1 customer review)

Best Sellers Rank: #1,323,757 in Books (See Top 100 in Books) #81 in [Books > Politics & Social Sciences > Social Sciences > Library & Information Science > Collection Development](#) #581 in [Books > Politics & Social Sciences > Social Sciences > Library & Information Science > Library Management](#) #827 in [Books > Textbooks > Humanities > Library & Information Science](#)

## Customer Reviews

2 STARS for the kindle version - 5 STARS for the content, but at the high cost of this textbook, I would expect that it would at least provide page numbers. The e-book is full of glitches which wouldn't allow me at times to move forwards or backwards through the text. Also, not allowing users to copy/paste small sections of the text for papers is ridiculous.
