# The Library Collaboration And Flexible Scheduling Toolkit: Everything You Need To Know To Get Started

Synopsis

Appropriate for experienced elementary librarians as well as students in school library preparation programs, this powerful book explains the advantages of utilizing a flexible schedule with collaboration as compared to a fixed schedule without collaboration.â ¢ Provides a succinct and accessible yet complete explanation of research about collaborationâ ¢ Supplies practical guidance for moving towards a collaborative methodology, including methods to approach the administration to win support, a training plan for staff, and team planning strategiesâ ¢ Explains the many side benefits of collaboration, including lowered student-to-teacher ratios, better accommodation of individual student differences, more physical and personnel resources, and higher student achievementâ ¢ Addresses how to incorporate the library assistant into collaboration as well as what to do if there is no assistantâ ¢ Identifies methods for handling a variety of personalities and common situational issues or difficulties
