Customer Reviews

This deal is incredible. I'm really looking forward to the test prep and I know these books will help

greatly during these times. Setting up online was fast and easy. A lot of resources for the price you pay. I went ahead and bought the Argo Brothers test prep as well. The shipping was fast and I really liked the fact the product came sealed.

Very unhappy with this. Kaplan does not provide any customer service for the online center. I am unable to register online because it prompts you for the GRE Premier which this is not and links to another ISBN. Kaplan does not respond to any emails that I've sent and basically I have not been able to access any online content. I'm giving them a few more days to respond then I'm returning. Very unhappy with this as I was excited for this product.

Great price for amazing content and online review. Amazing! As a college student books add up especially when it comes to preparing for the GRE and this is a good price for the amount you get!
