Job Coaching Strategies: A Handbook For Supported Employment

Synopsis

Job Coaching is a concise, goal oriented staff development program. The manual follows the chronology of a successful job placement - from getting to know your client to maintaining employer relations. The manual features real-life examples to illustrate techniques and strategies and provides useful forms, like functional assessments and work site analysis.

Customer Reviews

Great book with clear instructions and forms that can be used in customized employment and job coaching. There are exercises in how to develop task analysis and how to take data. I found the book useful and passed the information about the book to other job developers and job coaches.

Useful information has cd with book and forms that can be reproduced.

Excellent teaching tool.
