When Sinners Say "I Do": Discovering The Power Of The Gospel For Marriage

Synopsis

Marriage is the union of two people who arrive at the altar toting some surprisingly large luggage. Often it gets opened right there on the honeymoon, sometimes it waits for the week after. The Bible calls it sin and understanding its influence can make all the difference for a man and woman who are building a life together. *When Sinners Say "I Do"* is about encountering the life-transforming power of the gospel in the unpredictable journey of marriage. Dave's writing style embraces the reader as he speaks honestly, and sometimes humorously, about sin and the power of the gospel to overcome it. He opens the delightful truth of God's word and encourages the reader to see more clearly the glorious picture of what God does when sinners say "I do." A DVD series of *When Sinners Say "I Do"* is also available.

A person does not have to be married for long to realize that marriage is a lot more difficult than it may seem. Certainly it is a lot more difficult than God intended for it to be. With the fall into sin came the rise of the self, with the loss of perfection came the dominance of sin. Even the best marriages are now tainted by sin, by selfishness, by a distinct lack of love. Every marriage represents the joining of two sinners. Though they love each other, they fight constantly to love each other as much as they know they should. While the shelves at bookstores, both Christian and mainstream, are groaning under the weight of books dealing with marriage, few of these books offer assistance with the root of all of the problems we encounter in our relationships. Few of them get to the heart of the matter, looking deep into the human heart and prescribing the biblical cure. Into this void steps Dave

Harvey with his book *When Sinners Say "I Do,"*, a book that is justly garnering much positive attention. C.J. Mahaney says it "provides clarity in conflict, hope in despair, and points the way to a joy-filled, God glorifying marriage." Jerry Bridges says it "will be helpful for any married couple whether they've been married five weeks or fifty years." And Randy Alcorn calls it "a wonderful book" that is "honest, refreshing, practical, and above all biblical." What has inspired these glowing endorsements is the book's focus on the harsh reality of sin and the beautiful reality of grace. *When Sinners Say "I Do"* is a book that focuses a lot of attention on sin. In fact, the first half of the book focuses predominantly on this topic. This may seem unnecessary to some and even depressing to others, but to ignore sin is to ignore one of the greatest human realities.

As a licensed counselor, I have read more than my share of books on managing emotions and relationships. Unfortunately they are all the same. Sure they each have a slightly different take. Some even include their own unique Venn diagrams of emotional issues and how they relate to physical boundaries. Even the Christian books simply take what everyone else has already done and add a dash of Scripture, especially the latter part of Ephesians for flavor. So when a friend told me that she had read a fantastic book on marriage, I have to admit I had a generous level of skepticism. I trust her judgment so thought to myself, "What's the harm?" Perceiving my reservation, she sat me down and read a few pages from the first chapter. My curiosity sparked, I graciously borrowed her copy. **MARRIAGE: POWERED BY THE GOSPEL** In his book *When Sinners Say "I Do": Discovering the Power of the Gospel for Marriage*, Dave Harvey essentially redefines marriage for Christians. It has often been said that there is so much planning that goes into the wedding itself, that new couples often forget about everything after the honeymoon. Even the most diligent of Christian couples who want to follow every piece of advice do their premarital counseling, get to know each others' parents, and may even ask their blessing. Captivated by the vision they are starring at, it is easy for the bride and groom to completely miss when the minister says, "What God had joined together, let no man separate." Wait, what God had joined together? Did they not decide to get married? The Bible is very clear, that the sanctity of marriage is the way that marriage draws us to Him.
