# Frankenstein (Signet Classics)

## Synopsis

Mary Shelley blurs the line between man and monster in this classic gothic masterpiece. The story of Victor Frankenstein and the monstrous creature he created has held readers spellbound ever since it was published almost two centuries ago. On the surface, it is a novel of tense and steadily mounting horror; but on a more profound level, it offers searching illumination of the human condition in its portrayal of a scientist who oversteps the bounds of conscience, and of a monster brought to life in an alien world, ever more desperately attempting to escape the torture of his solitude. A novel of hallucinatory intensity, *Frankenstein* represents one of the most striking flowerings of the Romantic imagination. **With an Introduction by Douglas Clegg And an Afterword by Harold Bloom**

## Book Information

Series: Signet Classics

Mass Market Paperback: 272 pages

Publisher: Signet; Reprint edition (October 1, 2013)

Language: English

ISBN-10: 0451532244

ISBN-13: 978-0451532244

Product Dimensions: 4.2 x 0.8 x 6.8 inches

Shipping Weight: 3.2 ounces (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars [See all reviews](#) (1,844 customer reviews)

## Customer Reviews

Much like Bram Stoker's "Dracula", Mary Shelley's "Frankenstein" is a story we all think we know, but really don't. Very few films have consciously attempted to follow the novel too closely (which shouldn't detract from the excellent James Whale/Boris Karloff film, or its masterpiece-sequel, "The Bride of Frankenstein"). Thus, everything popular culture "knows" about "Frankenstein" does not originate from literature, but from films. This is a shame, in a way, because the novel itself is, if not the progenitor, an early vessel of so many archetypes found science fiction and horror. The basic plot remained intact when transferred to other media. Swiss medical student Victor Frankenstein discovers the secret of life (which he never reveals, lest someone repeat the mistake). He then puts

together a body, essentially a man, from various corpses. He then becomes horrified by the creature he has built, and abandons. The creature, suffering a great deal of neglect and abuse, still manages to get a thorough education, and learns of his lineage. After murdering Victor's younger brother, and framing the family maid, the creature tells his (admittedly) sad tale to his "father", and then demands a mate. Victor, in a panic, agrees, then thinks better of it at the last moment, destroying the new bride. In retaliation, the creature murders all of Victor's loved ones (including his wife), and leads Victor on a merry chase across the world. Most probably know that Mary Shelley wrote this book in response to a challenge issued by Lord Byron, during a vacation at Lake Geneva. (Along with this story came John Polidori's "The Vampyre", the first English vampire novel.) Most probably also know that Shelley went on to write other works of imaginative gothic fiction.
