## Customer Reviews

This book is not what the title implies, which is a Russian translation of the official Florida Driver's handbook. We purchased this manual to assist a Russian speaker to learn the actual driver's handbook. However, as it is simply a Russian interpretation of the meaning of the handbook, it is not of much value to those trying to learn the actual rules in Florida to pass their exam.

The author used easiest way to do it - just google translate with tiny corrections. It is very hard to read to Russian-speaking people, because lots of sentences just have no sense. Lots of grammar errors makes it impossible to concentrate on text. Just use free online version in English, that you can find easily googling "Florida Driver's Handbook". You will learn faster and improve your English. Don't waste your money

It's really poor book, the information is old. The rules have changed and questions became harder.... it's just like 10% are helpful...the rest is trash. Waste of money!

Excellent book. All clear. Excellent quality of translation. Excellent quality. I am very satisfied! Thank you very much to the author!
