Customer Reviews

I LOVED this book. Very clear and broken down into easy steps with tons of exercises. Instead of the entire book being all about her experiences (something a lot of "how-to" books do), she explains how you can establish connections to the spirit world yourself and the means in which you may receive information! Very useful and full of information. I would recommend this to any aspiring medium.

This is an extraordinary book. Ms. Morning Star uses easily-approached exercises and a series of questions and answers to address reader's questions and doubts. I found the exercises both

enlightening and entertaining, allowing constant feedback from your experiences. A refreshing and experiential book that focuses on participation. Brilliant!

Fantastic book! A must read!!!
